Ready for any journey

Hectorra 5

FOR PASSENGER CARS AND SUVS

Matador introduces the new Hectorra 5 flagship summer tyre, offering balanced performance and low noise levels for a comfortable driving experience. Its optimized rolling resistance and durable tread design contribute to long-lasting performance and efficient driving.

- **Comfort –** Quiet and comfortable driving
- **Efficiency –** Low rolling resistance and durable wear performance
- **Wet performance –** Strong braking performance on wet roads

Hectorra 5

FOR PASSENGER CARS AND SUVS

Technology Highlights

Comfort

Offers a pleasant drive experience thanks to balanced tread pattern composition and optimized sipe distribution.

Efficiency

A new compound generation supports efficient driving. Optimized rolling resistance and durable wear performance contribute to long service life.

Wet performance

Maintains effective contact between tread and road due to the more structured inner part of the pattern. This supports strong braking performance on wet roads.

Dimensions

Tyre width in mm	**155 – 295**
Tyre cross-section	**70 – 35**
Rim size in inches	**14 – 21**
Speed symbol	**T/H/V/W/Y**

EU Label Values

Fuel Efficiency	**B – D**
Wet Braking	**B – C**
Noise Level	**70 – 75/B**

Performance evolution: MP 47 Hectorra 3 to Hectorra 5*

* based on internal tests. Tyre size 245/40 R18
