

Ready for the challenge

NEW

THR 5

FOR LONG-DISTANCE AND REGIONAL TRANSPORT

Matador is coming with a new generation of trailer truck tyres. The new **THR 5** offers impressive mileage and very good steering performance for **improved safety**. New pocket sipes in center and intermediate tracks to add **3PMSF** and positively support the wet performance.

- ▶ Great mileage thanks to a wide tread area
- ▶ High durability due to the new tread compound
- ▶ Good rolling resistance over lifetime
- ▶ 3PMSF marking

T HR5 5

FOR LONG-DISTANCE AND REGIONAL TRANSPORT

Main Features

- **Great mileage** – The wide tread area ensures a high level of efficiency. That means more mileage and lower costs.
- **Good rolling resistance** – The tread compound delivers enhanced rolling resistance and wear performance.
- **Wet performance** – The new tyres benefit from high level of wet performance over the service life.
- **3PMSF** – Added pocket sipes in the pattern positively support safety on wintry roads.

Technology Highlights

Straight Shoulder Grooves

Asymmetric profile for maximum durability

Circumferential Rib Pattern

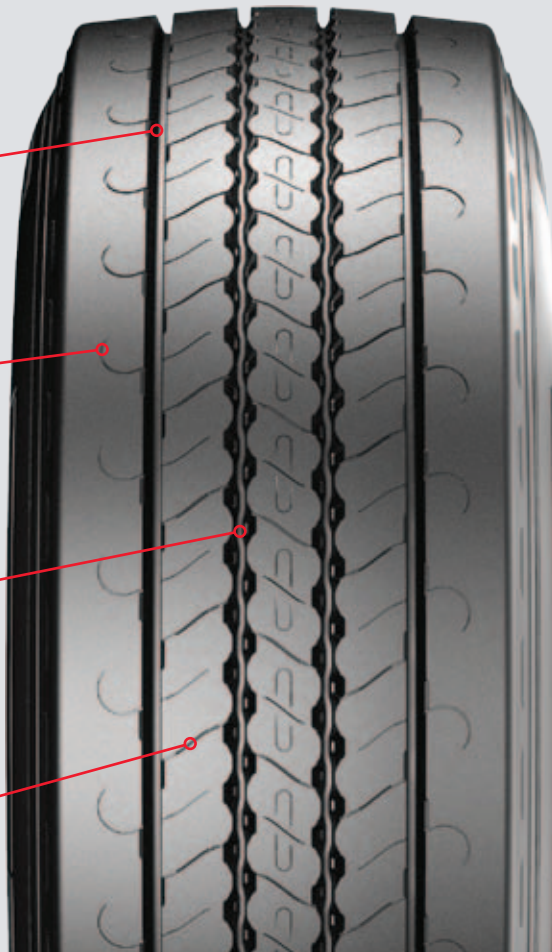

Excellent driving stability and safe handling as well as low noise emission for best riding comfort

3D Center Grooves

Minimum stone trapping and quick stone ejection for increased longevity

2D-Pocket-Sipes

Pocket Sipes in center and intermediate tracks to add 3PMSF and positively support the wet performance
