

# Ready for the challenge

**NEW**

Matador, the brand with a long tradition, is coming with a new generation of truck tyres. The new **DM 4** drive axle tyre available in size **315/80 R 22.5** is ideal for the demanding **on- and off-road** conditions of today's construction industry.

**DM 4** m+s 

- ▶ Impressive traction thanks to four block tread pattern design
- ▶ Great durability
- ▶ Reliability
